

KENNER CHAIN WALL®

Modular Precast Concrete Foundations

All Precast Concrete Products Manufactured by
Certified Precast Facilities

Flooding Concerns?

Critical Infrastructure? — Elevate!

Expedite New Installations / Existing Retrofits

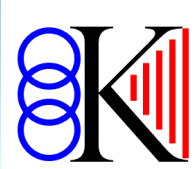

Modular Elevated Platforms for:

- TRANSFORMERS
- CONTROL BUILDINGS
- ELECTRICAL SUBSTATIONS

MANY Benefits:

- Reduced Field Labor
- Designed to meet ASCE standards
- Custom & Seismic Designs Available
- Slab Penetrations available as required
- Save Time & Money
- Each Unit Installed in Minutes
- Modular Units Arrive Ready for Immediate Installation

KENNER CHAIN WALL®

Modular Platforms for Various Structures

**VERSATILITY!
WHAT IS YOUR
APPLICATION?
Go Modular!**

The Kenner Chain Wall® provides a structurally sound, on-grade or elevated foundation to support your structures. This patented design expedites installation and can avoid potential time delays due to weather, quality control issues in the field, and additional costs associated with cast-in-place or galvanized steel platform alternatives.
